

BEA Union Investment Asia Strategic Growth Fund

As at 31 January 2018

- BEA Union Investment Asia Strategic Growth Fund (the "Fund") invests in a single region which may be subject to higher concentration risk than funds which invest in a number of different markets.
- The Fund invests in emerging markets which are higher risk than those investing in more established markets. Emerging markets may involve additional market, currency, legal and regulatory and liquidity risks. The high volatility in such markets could result in you suffering substantial losses.
- Investors should not make an investment decision based solely on this material.

Morningstar Overall Rating¹

OBJECTIVE

The Fund provides investors with long term capital growth in HK dollar terms through investing in a diversified portfolio primarily consisting of securities that are either (a) listed in the Asia Pacific region or (b) issued by companies that are incorporated in the Asia Pacific region or companies which have significant operations in or derive a significant portion of revenue or profits from the Asia Pacific region (including but not limited to Hong Kong, Singapore, Malaysia, Korea, Taiwan, Thailand, Indonesia, the Philippines, India and China, but excluding Japan).

FUND STRATEGIES

- Combine top-down macro-economic analysis for country and sector allocations, and bottom-up securities selection
- A portfolio which is well-diversified across different countries and sectors in the Asia Pacific ex-Japan region
