

BEA Union Investment Global Themes Fund

As at 31 January 2018

- BEA Union Investment Global Themes Fund (the "Fund") may invest in emerging markets, which are subject to higher liquidity and volatility risks.
- The Fund may enter into futures contracts and currency forward contracts for hedging and investment purposes. Given the leverage effect embedded in futures and currency forward contracts, the Fund may be exposed to significant losses.
- Investors should not make an investment decision based solely on this material.

Performance is calculated in USD on a NAV to NAV basis. Gross income is re-invested.

Investments in the Fund are subject to investment risks, including the possible loss of the principal amount invested. For full details and risk factors of the Fund, please refer to the explanatory memorandum of the Fund. Investors should also read the explanatory memorandum of the Fund for detailed information prior to any subscription. The information contained herein is only a brief introduction to the Fund. Investors should be aware that the

price of units may go down as well as up as the investments of the Fund are subject to market fluctuations and to the risks inherent in all investments. Past performance is not indicative of future performance. The Fund has been authorised by the Securities and Futures Commission ("SFC") in Hong Kong. SFC authorisation is not a recommendation or endorsement of a scheme nor does it guarantee the commercial merits of a scheme or its performance. It does not mean the scheme is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors. This material has not been reviewed by the SFC in Hong Kong.
