

BEA Union Investment RMB Core Bond Fund

As at 31 May 2018

Retail Hotline: (852) 3608 0321 | www.bea-union-investment.com

- BEA Union Investment RMB Core Bond Fund (the "Fund") may invest primarily in debt securities denominated and settled in RMB. It is subject to RMB currency and conversion risk that could adversely affect the value of investors' investments.
- The Fund may be subject to the "Dim Sum" bond market risk, concentration risk/ China market risk and the risks associated with China interbank bond market, China tax risk, below investment grade and non-rated securities risk, and the Fund is more susceptible to volatility and/or lower liquidity.
- The manager may at its discretion make distributions from income and/or capital in respect of the distributing classes of the Fund. Investors should note that the distributions paid out of capital amount to a return or withdrawal of part of the unitholder's original investment or from any capital gains attributable to that original investment. Such distribution may result in an immediate reduction of the net asset value per unit.
- The Fund may use financial derivatives for hedging and investment purposes and such exposure may lead to a higher risk of significant loss by the Fund.
- Investors should not make an investment decision based solely on this material.
