

BEA Union Investment Greater China Growth Fund

As at 29 March 2019

- BEA Union Investment Greater China Growth Fund (the "Fund") invests in a single region which may be subject to higher concentration risk than funds which invest in a number of different markets.
- The Fund invests in emerging markets which are higher risk than those investing in more established markets. Emerging markets may involve additional market, currency, legal and regulatory and liquidity risks. The high volatility in such markets could result in you suffering substantial losses.
- Investors should not make an investment decision based solely on this material.

Morningstar Overall Rating¹

OBJECTIVE

The Fund provides investors with long term capital growth through investing in a diversified portfolio primarily consisting of securities that are either (a) listed in Greater China or (b) issued by companies that are incorporated in Greater China or companies which have significant operations in or derive a significant portion of revenue or profits from Greater China, which includes the People's Republic of China (PRC), Hong Kong, Macau and Taiwan.

FUND STRATEGIES

- Combine top-down macro-economic analysis for sector allocation, and bottom-up securities selection
- A portfolio which is well-diversified across different sectors in the Greater China region
- Maximum 10% in other securities, including China A-shares and China B-shares
